NARRATIVE:

Gabriel Esquer is a documented gang member and has an extensive adult criminal history that began at the age of 19. His convictions include multiple cases of firearm possession, resisting arrest, domestic violence with injury, multiple vehicle thefts, battery, vandalism, receiving known stolen property, several cases of driving under the influence of alcohol, several cases of being under the influence of a controlled substance, possession of a controlled substance, possession of drug paraphernalia, and failing to report. He has served multiple state prison terms the longest a 2 year term for domestic violence with injury. Esquer was released from state prison to the supervision of the Los Angeles County Probation Department on November 30, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in July 2014 after he absconded from post release community supervision (PRCS). Esquer qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
